

## Save time and money with Nex-Tech's easy payment and billing options.

### Option One: Automatic Bank

**Collection (ABC)** - ABC allows you to pay your monthly bill automatically by charging it to your checking account at no additional cost to you. With ABC, you save time and money by not having to write checks and pay for postage. No need to worry about paying your bill while out-of-town, or risk lost mail and late payments. Plus, sign up for ABC and receive a \$10 credit from Rural Telephone/Nex-Tech.

You will still receive your monthly statement marked "Paid Automatically By Your Bank". If you should have any billing questions or concerns, you will have ample time to resolve them, prior to payment of the bill.

### Option Two: Credit Card Payment –

This plan allows you to pay your monthly bill automatically by charging the amount to your credit card. Please call our Customer Service Department for complete details.

### Save Postage and Paper with Ebill

Sign up for Ebill to receive your monthly statement by email. You will also have access to past bills in your account history by logging in to your account online.

### Save 10% with Combined Billing

Nex-Tech and Nex-Tech Wireless are excited to offer combined billing for local telephone, long distance, Internet, TV and wireless service. This will allow you to make one simple payment per month for all of your Nex-Tech and Nex-Tech Wireless services. In addition, you will receive a 10%\* monthly discount on your Nex-Tech Wireless base service.

Below is an example of how a section of your bill would look with a 10% discount on a \$60 rate plan.

Other Charges & Credits			
Description	Qty	Amount	Total
Discount: Bundled Billing 10%	1	6.00 CR	6.00 CR
<b>Subtotal Other Charges &amp; Credits</b>		\$	<b>6.00 CR</b>

### Combined Billing Requirements:

1. Existing Nex-Tech and Nex-Tech Wireless accounts must be in good standing and have no late payments for 90 days. New customers with approved credit are eligible for combined billing.
2. Accounts are required to be on automatic payment. Please review this form for automatic payment options.
3. The Nex-Tech and Nex-Tech Wireless accounts must have the same names or authorized users.
4. Nex-Tech Wireless customers need to be on the wireless billing cycle that is generated on the 1st of the month. Wireless customers who are not currently on the 1st of the month billing cycle will be moved to this cycle.
