

ABC/Credit Card Authorization Form

Please select which payment method you prefer.

Would you like to **save time and money**?
You can by enrolling in one of two payment plans offered by Rural Telephone/Nex-Tech.

Option One – Automatic Bank

Collection (ABC) - ABC allows you to pay your monthly bill automatically by charging it to your checking account at no additional cost to you. With ABC, you save time and money by not having to write checks and pay for postage. No need to worry about paying your bill while out-of-town, or risk lost mail and late payments. Plus, sign up for ABC and receive a \$10 credit from Rural Telephone/Nex-Tech.

You will still receive your monthly statement marked "Paid Automatically By Your Bank". If you should have any billing questions or concerns, you will have ample time to resolve them, prior to payment of the bill.

Option Two – Credit Card Payment –

This plan allows you to pay your monthly bill automatically by charging the amount to your credit card. Please call our Customer Service Department for complete details.

Choose the plan that suits you best and save. For complete information on these plans, please call our Customer Service Department at any Rural Telephone or Nex-Tech office.

Automatic Bank Collect

IMPORTANT: Please return a voided or canceled check with this form to ensure accurate processing. Deposit slips will not work.

Telephone or Account Number

Date

Signature

Signing this form authorizes Rural Telephone/Nex-Tech to deduct the monthly billing for all services from your account and/or change your credit card depending on which option you select.

Credit Card Payment

Cardholder's Name

Card Number

Exp. Date

CID#

MasterCard

Visa

Discover

AMEX

CID# is a special security code feature on your credit card. This is a 3-digit code on VISA, MasterCard and Discover located in the signature box on the back, on American Express it's a 4-digit code located on the front of your card.
