

FOR IMMEDIATE RELEASE

## Nex-Tech 2020 Football Donation Campaign Supports Area High Schools

HAYS, Kan, Dec 30, 2020—Nex-Tech, a leader in technology and connectivity, and an avid supporter of community, education, and athletics, is giving back to service-area schools through a cumulative donation of over \$10,000 amongst 26 area high schools. For the 2020 season, schools that signed up received \$20 for each home game touchdown.

The Football Donation Campaign, instituted in 2005, expands Nex-Tech’s dedication to community involvement by championing athletic programs located in the communities in which we live. It also supports another of our core beliefs—having fun—because high school football is just plain fun for us!

Director of Customer Engagement Dustin Schlaefli says, “Here at Nex-Tech, our passion is to make life better for our friends, neighbors and our customers. Getting more involved in the communities we serve while being able to provide some booster support at the same time means a lot to us as a company.”

To area high school coaches, teachers, and students, thank you for letting us be a part of your 2020 football season. It matters when a coach says to us, “Awesome program! Thanks for including us. The money really does help little schools.”

### **About Nex-Tech**
