

PARTY MIX

Ingredients:

- 3/4 cup butter popcorn oil
- 2 teaspoon dill weed
- 1 teaspoon lemon pepper
- 1/4 teaspoon garlic powder
- 1 package ranch dressing mix
- 4 packages of your favorite snacks

(Raleen used Cheetos, Bugles, Doritos and pretzels)

Instructions:

Mix seasonings into the oil and blend well to remove any lumps.

Pour roughly half of each bag of snacks into a roasting pan and pour the seasoning over the top. Toss together well. If it looks too oily, add more of the snacks and stir again.

Bake at 350 degrees, tossing occasionally so different pieces are on top. It can burn quickly so keep an eye on it. It will only take 10-15 minutes total to crisp up.

Remove from oven and enjoy!
