## Ingredients:

5 eggs  
2 cups heavy whipping cream  
2 tsp vanilla  
1 tsp cinnamon  
3/4 cup melted butter  
12 cake donuts (day old)  
3/4 cup sugar  
1/4 cup milk  
powered sugar for glaze

## Instructions:

1. Preheat grill to 300 degrees.
2. Cut donuts into bite sized pieces.
3. Mix all ingredients together then pour over the donuts. You may omit the sugar if you are using glazed cake donuts.
4. Let mixture rest until donuts are soaked well.
5. Bake in cast iron dutch oven for about a hour covered and then 15-20 minutes uncovered so the top forms a nice crust.
6. Top with a simple glaze and enjoy!
