

## Spitzbuben

1# unsalted butter  
1 c. sugar  
1 t. vanilla  
4 c. flour

2 eggs  
Plain breadcrumbs  
Milk  
Powdered sugar  
Your favorite jelly

Mix first four ingredients in mixer until dough forms.

Remove dough from the mixing bowl and chill in fridge to fully incorporate the moisture and make it easier to work with.

Remove dough and rest to room temperature again.

Separate the two egg whites and yolks, discard the whites.

Mix the yolks with a bit of milk.

Separate the dough into 3 sections to get a manageable amount to roll out.

Roll dough to ¼" thickness and cut out cookies. Transfer them to an ungreased cookie sheet.

Spread the egg mixture on each cookie with a brush, then sprinkle with plain breadcrumbs.

Bake at 350 degrees for 10 – 12 minutes. Let cookies cool.

Pair each cookie with another and smear with jelly to make a sandwich. Sprinkle both sides of the cookie sandwich with powdered sugar.
