Payment and Billing Options

Bundle & Save

Save Time and Money with Nex-Tech's Payment Options

Automatic Payment - Automatic payment allows you to pay your monthly bill automatically by charging it to your checking account or credit card at no additional cost to you. It comes out automatically on the day it is due. With automatic payment, you save time and money by not having to write checks and pay for postage. You will still receive your monthly statement marked "Paid Automatically By Your Bank." If you should have any billing questions or concerns, you will have ample time to resolve them, prior to payment of the bill.

Online Bill Pay - Save your stamps and gas with online bill pay. You can login and pay your Nex-Tech bill for landline telephone, long distance, Internet and TV from your checking account or credit card. To set up your account, contact Customer Sales to receive your security code, then proceed to www.nex-tech.com/ebill.

Save Postage and Paper with ebill

Sign up for ebill to receive your monthly statement by email. You will also have access to past bills in your account history by logging into your account online.

Visit www.nex-tech.com/ebill to set up and manage your online account.

Save 10% with Combined Billing

Nex-Tech and Nex-Tech Wireless offer combined billing for local telephone, long distance, Internet, TV and wireless service. This allows you to make one simple payment per month for all of your Nex-Tech and Nex Tech Wireless services. In addition, you will receive a 10% monthly discount on your Nex-Tech Wireless base service.

Below is an example of how a section of your bill would look with a 10% discount on a \$60 rate plan.

Other Charges & Credits			
Description	Qty	Amount	Total
Discount: Bundled Billing 10%	1	6.00 CR	6.00 CR
Subtotal Other Charges & Credits	\$		6.00 CR

Combined Billing Requirements:

1. Existing Nex-Tech and Nex-Tech Wireless accounts must be in good standing and have no late payments for 90 days. New customers with approved credit are eligible for combined billing.
2. Accounts are required to be on automatic payment. Please review this form for automatic payment options.
3. The Nex-Tech and Nex-Tech Wireless accounts must have the same names or authorized users.
4. Nex-Tech Wireless customers need to be on the wireless billing cycle that is generated on the 1st of the month. Wireless customers who are not currently on the 1st of the month billing cycle will be moved to this cycle.
