

Cloud Fax User Guide

Cloud Fax User Registration

Once your user account is created by Nex-Tech, the Cloud Fax service will send you an automated email with your username and a temporary password. You will be required to change your temporary password upon your first login. A sample email is shown below. To ensure you receive this information, please make sure your spam filter is set to allow all messages from **@nex-tech.com**.

From: no-reply.cloudfax@nex-tech.com [mailto:no-reply.cloudfax@nex-tech.com]

Sent: Tuesday, July 11, 2017 2:12 PM

To: Ivan Facsin<ivan.facsin@acme.com>

Subject: New password for your fax account

Hello,

Please find your fax account login credentials below:

Username: ivan.facsin@acme.com

Password: c3g=aomT-qE3

You will need to provide these credentials to log in with any fax client you are using.

Note: for security reasons, you may be required to change this password. Simply log in using the Web Client and follow the instructions (if applicable).
